316359	TBD	0.11853	Primitive Road: Primary	Motorized	None	(a), (b), (c), (d)	This segment has been determined to be appropriate for motorized use consistent with FLPMA Section 302a, Section 501 and Section 601 (4), after review of relevant factors. Impacts to the aforementioned resources have been minimized by implementation of the components of the associated travel management plan, imposing restrictions on the stopping, parking and camping distance, limiting the extent of potential disturbance created by use of the segment.
316360	TBD	0.03117	Primitive Road: Primary	Motorized	Authorized/Permitted	(a), (c), (d)	This segment has been determined to be appropriate for motorized use consistent with FLPMA Section 302a, Section 501, and Section 601 (4), after review of relevant factors. Impacts to the aforementioned resources have been minimized by adding subdesignations, and implementation of the components of the associated travel management plan, resulting in a reduction in intensity of use and providing additional management control over users.
316361	TBD	0.08782	Primitive Road: Primary	Motorized	Authorized/Permitted	(a), (c), (d)	This segment has been determined to be appropriate for motorized use consistent with FLPMA Section 302a, Section 501, and Section 601 (4), after review of relevant factors. Impacts to the aforementioned resources have been minimized by adding subdesignations, and implementation of the components of the associated travel management plan, resulting in a reduction in intensity of use and providing additional management control over users.
